Confirmation REACH

We hereby confirm that all our products are produced according to the rules of REACH (EC regulation **No 1907/2006** REACH).

We are a downstream user and meet all for us relevant REACH-demands.

We do not use any substances of Very High Concern > 0,1% as published on the candidate list of Substances of Very High Concern issued by ECHA (last update 25.06.2025).

Our suppliers have been contacted to ensure that all their products are produced REACH-conform also.
